Evidence	Paris 2015	Brussels 2016	No evidence	Brussels 2016: terrorist sought out nuke physicist	No evidence		No evidence	
	San Bernardino 2015							
References (indicate the source(s) of information)								

- Color code each "Tactic, Technique, Capability" box with the following designations:
  - **Red**: Demonstrated an attack and a capability, and has the resources to carry out a future attack
  - **Orange**: Elements are present for testing of an attack mode. Has the knowledge and availability of resources
  - **Yellow**: Terrorist group is missing at least one or more elements, i.e., knowledge, capability, or availability of resources to carry out an attack
  - **Green**: Does not have at least two of the following three elements: the knowledge, capability, or availability of resources to carry out a specific type of attack
- Provide evidence, if it exists, for each attack mode in the appropriate box.
